feed your creativity

The RIVERSIDE design team, which consists of ceramicists, photographers, illustrators, and architects, strive to create stunning, innovative designs, textures, shapes, and colors that keep our customers inspired. We hope that you find our distinct collection of handcrafted tableware, serving pieces and home accessories as exciting as we do. We constantly challenge ourselves to create high quality products which combine function with high design, without compromising durability. RIVERSIDE is passionate about creating a more sustainable global community. We are committed to both responsive and responsible design. In fact, we use post-industrial/pre-consumer recycled glass and other sustainable materials whenever possible, our packaging and promotional items are environmentally friendly, and our offices are located in a LEED certified building (Leadership in Energy and Environmental Design). As part of this commitment, this catalog is printed on recycled paper. To learn more about our efforts or to download our most current catalog, please visit our websites:

Plates With Purpose™

In 2004, while looking for a way to give back to the community, Riverside Design Group created Plates With Purpose™; a series of custom glassware that artistically reflects the missions of six vital non-profit organizations. Available in pearl 14" and 9" squares, and in a 5" x 10" rectangle. Includes environmentally friendly presentation packaging (shown below, left) with enclosure card. Handcrafted in USA from recycled glass.

- Heart - Habitat for Humanity, Pittsburgh chapter
- Forget me not - Alzheimer's Association
- Butterfly - Forbes Hospice
- Stars - Pittsburgh AIDS Task Force and Persad Center
- Wheat - Greater Pittsburgh Community Food Bank
- Trees - Court Appointed Special Advocates (CASA)

Riverside pledges to donate 15% of the proceeds from our sales of Plates With Purpose™ products to our local chapters of these organizations, and we encourage our customers to do the same in their own communities.
